What is Consecration?

Consecration means setting yourself apart for God. Think of it like giving God your best attention.

When we consecrate, we say:

- ➔ "God, You are more important than TV, phones, or games."
- ➔ "God, I want to listen to You."
- ➔ "God, I give You my heart, my time, and my choices."

In the Bible, when God's people consecrated themselves, He did amazing things (Joshua 3:5). God wants to do amazing things in your life, too!

What is Reverence?

Reverence means respecting God with awe. It's not just being quiet in church. It's:

- Listening to God and obeying Him.
- Talking to God in prayer.
- Treating others with kindness because God loves them.
- Living like Jesus at home, at school, and online.

How This Week Will Work (Sept. 21-28, 2025)

- **Daily Themes:** Each day, we will focus on one truth about God and reverence.
- **Fasting (Kids Version):** We are stepping back from too much screen time, sweets, and things that distract us from God. (Parents will help decide what each child does.)
 - Recommended Plan: Kids Bible Experience | How Do I Follow Jesus?
- **Prayer:** We will pray together at church, and you can pray at home or with friends.
- **Worship:** We will sing songs, read the Bible, and thank God for who He is.

FAQ for Kids

Do I have to do everything perfectly?

No! God loves your effort. Just try.

What if I forget?

Don't give up—just start again. God is happy when you come back to Him.

Why do we have a Sabbath?

The Sabbath means “to rest.” God rested on the 7th day (Genesis 2:2–3). It's a day to stop, slow down, and enjoy God's love. It's not just “no work”—it's time to pray, sing, and enjoy God's creation.
